POLICY

There are many occasions during the school year where Northern School for Autism staff photograph, film or record students participating in school activities or events, for example classroom activities, concerts, excursions, camps etc.

We do this for many reasons including to eg to celebrate student participation and achievement, showcase particular learning programs, document a student's learning journey/goals/camps/excursions/outdoor activities and communicate with our parents/carers and school community in newsletters.

There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Northern School for Autism has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

Northern School for Autism will use student images reasonably, appropriately and sensitively, consistent with our obligations under the Child Safe Standards and our school's Child Safety Policy. If at any time a parent/carer or student has a concern about the use of any images they should contact Pamela Mathieson, Principal by phone or email.

Official school photographs

Each year Northern School for Autism will arrange for a professional photographer to take official school photographs of students. This will generally involve both class photos and individual photos being taken.

Official school photographs may be:

- purchased by parents/carers
- used for school identification cards
- stored on CASES21 for educational and administrative purposes.

Northern School for Autism will notify parents/carers in advance of the official school photographs being taken to give them an opportunity to decide whether their child will be included in the official school photographs.

Parents/carers who choose to opt-out of having their child participate in official school photographs must contact School Administration by phone or email northern.sch.autism@education.vic.gov.au before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken. However, the school will need to discuss with these parents/carers alternative arrangements for identifying students in emergencies and for other essential purposes.

Images to manage student behaviour or fulfil our school's legal obligations

On occasion it may be necessary for school staff to photograph, film or record students when necessary to:

- fulfil legal obligations, including to:

Northern School for Autism does not require or obtain consent from parents/carers or students to photograph, film or record students for these reasons. However, when Northern School for Autism photographs, films or records a student for any of these purposes, staff will only collect and use such images in a way that is reasonable and appropriate in the circumstances.
